

How We Learn Survey

- 1) What is “thinking”?
- 2) How do you know when you are thinking?
- 3) Do you think about how much time an assignment or task will take? Why or why not?
- 4) When working on an assignment or task how do you know you are doing what needs to be done?
- 5) What do you do when you feel like you DON'T know what needs to be done for an assignment or task?

6) Do you ever think you could have done something differently or better on an assignment or task?

7) How do you know you have understood what you learned in class?

8) Do you ever think about the learning we did in class outside of school? If so, how?

9) What is the first thing you think about when you are learning something new?

10) What things make it difficult to learn? What things make it easier to learn?
