

Q1 Describe the connections you see between the tree homework website and your time in school.

Answered: 155 Skipped: 0

Answer Choices	Responses	
Similar content between homework and science class	34.19%	53
Similar content between homework and other classes	15.48%	24
Homework is review of science class content	6.45%	10
Homework is extension of science class content	25.81%	40
Homework is application of science class content	13.55%	21
Connections with other classmates ideas	4.52%	7
No connections	23.23%	36
Don't Know	7.74%	12
Blank	16.77%	26

Total Respondents: 155

Other (please specify) (16)

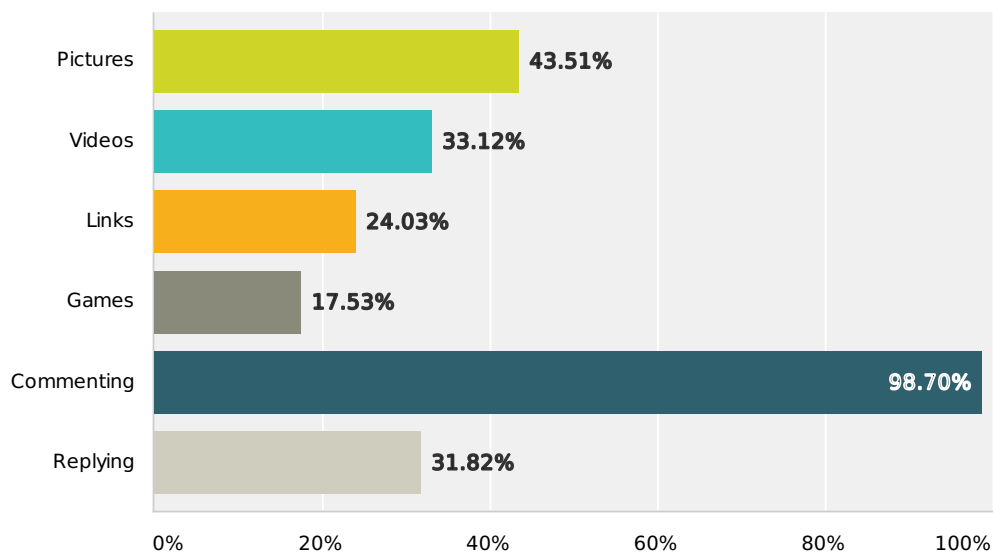

#	Other (please specify)	Date
1	My tree attracts many birds and in another class we are learning about birds.	4/4/2013 3:32 PM
2	we are doing a bird unit in another class and birds live in trees	4/4/2013 3:26 PM

Tree Reflection 3rd Through 5th

#	Other (please specify)	Date
3	When we are in science class and talking about trees, I think of my tree	4/4/2013 3:25 PM
4	Some birds live in trees	4/4/2013 3:18 PM
5	We are learning about birds in another class and some birds live on the trees	4/4/2013 3:17 PM
6	I think about my tree every time we talk about trees	4/4/2013 2:58 PM
7	In another class we are learning about birds and birds live in trees	4/4/2013 2:31 PM
8	I now understand the life of a tree way better	4/4/2013 2:24 PM
9	I am learning more in this unit because I review what I learned when I go on the website	4/4/2013 1:54 PM
10	The redwood tree book helped me a lot on describing my own tree at home.	4/4/2013 1:28 PM
11	In science class we are learning about ecosystems and trees are a big part of many ecosystems	4/4/2013 1:16 PM
12	Both teach me to care for trees	4/3/2013 10:40 AM
13	We have replied to other people's comments on the website in school	4/3/2013 10:16 AM
14	It connects fun and learning	4/3/2013 10:03 AM
15	This was like our other UNLESS school science project	4/2/2013 11:57 PM
16	I see that the students in my class are more caring for plants	4/2/2013 11:42 PM

Q2 Did you look at the videos, pictures or links posted on the website? Explain what parts of the site you used.

Answered: 154 Skipped: 1

Answer Choices	Responses	
Pictures	43.51%	67
Videos	33.12%	51
Links	24.03%	37
Games	17.53%	27
Commenting	98.70%	152
Replying	31.82%	49
Total Respondents: 154		
(please specify) (12)		

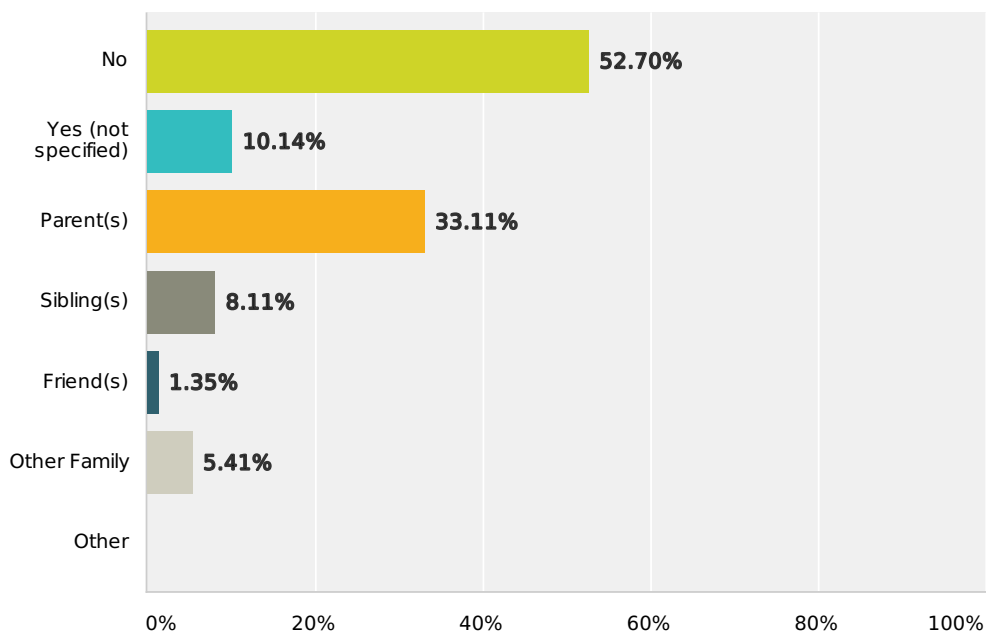

#	(please specify)	Date
1	I looked at all the 3rd grade classes	4/4/2013 3:13 PM
2	I looked to see what other people's trees looked like	4/4/2013 2:26 PM
3	I may use more of the website over Spring break	4/4/2013 2:13 PM
4	I looked at the Clark Park pictures from first grade	4/4/2013 2:01 PM
5	I looked at the pictures from other people and compared them to my own tree	4/4/2013 1:59 PM
6	I looked at both the 1st and 4th grade comments	4/4/2013 1:44 PM
7	I didn't look at videos yet but I will	4/4/2013 1:42 PM
8	I looked at the first grades trip to Clark Park pictures. I pressed first grade and it appeared.	4/4/2013 1:20 PM
9	I loved the videos and I watched them many times. I also loved the beautiful pictures.	4/3/2013 11:09 AM
10	I used my class and both the fourth and fifth grade links	4/3/2013 10:01 AM
11	They helped me understand the website better	4/3/2013 12:17 AM

Q4 Did you read other students' comments on the website? If yes, how did they affect you?

Answered: 147 Skipped: 8

Answer Choices	Responses
No	34.01% 50
Yes (not specified)	16.33% 24
Yes (learned information from them)	32.65% 48
Yes (helped your response/gave you ideas)	17.69% 26
Yes (learned about classmates)	17.69% 26
Yes (no affect)	4.76% 7
Total Respondents: 147	
Other (please specify) (31)	

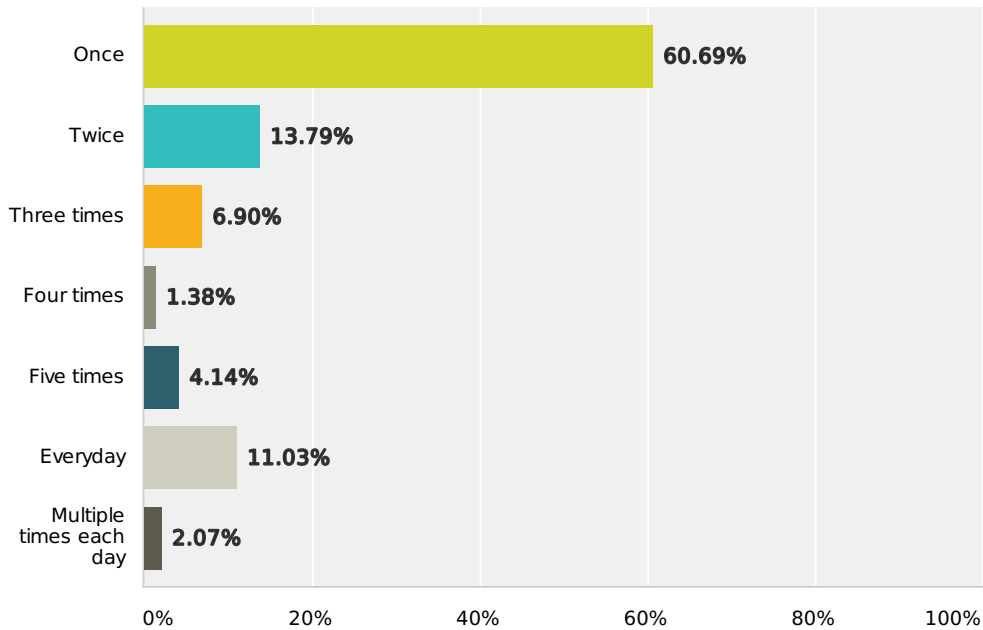

#	Other (please specify)	Date
1	other people's trees were really interesting	4/4/2013 3:39 PM
2	I felt excited to see if people would comment on mine comment	4/4/2013 3:38 PM
3	other student's comments were so cool	4/4/2013 3:33 PM
4	It made me want to know more about other people's trees and observations	4/4/2013 3:32 PM
5	I even read some of the first graders stuff	4/4/2013 3:29 PM
6	It made me interested in other people's stuff	4/4/2013 3:18 PM
7	It helped me to think about other trees and not just my own	4/4/2013 3:17 PM
8	I learned a lot about other people even though I don't know who they are	4/4/2013 3:13 PM
9	Reading other people's comments got me more interested in trees	4/4/2013 2:54 PM
10	They also had blossoms and buds on their trees	4/4/2013 2:49 PM
11	It affected me by making me reply and give me more ideas so I can add more details about my tree	4/4/2013 2:42 PM
12	I thought other people's comments were nice	4/4/2013 2:37 PM

Tree Reflection 3rd Through 5th

#	Other (please specify)	Date
13	It helped me to understand what other trees look like	4/4/2013 2:33 PM
14	Other comments gave me inspiration	4/4/2013 2:31 PM
15	It helped me see what other people were doing and then I could compare	4/4/2013 2:26 PM
16	I thought it was cool to see other people's thoughts	4/4/2013 2:20 PM
17	learned about different trees	4/4/2013 2:13 PM
18	It was cool to me to see other people's comments	4/4/2013 2:11 PM
19	Reading other people's comments sometimes inspired me.	4/4/2013 2:08 PM
20	Other people gave me ideas for trying to help my tree	4/4/2013 2:01 PM
21	It got me excited to hear about other people's trees	4/4/2013 1:54 PM
22	I felt like everyone got to speak but I would like to know who is who	4/4/2013 1:52 PM
23	Sometimes I found out that we had the same tree or leaf or color	4/4/2013 1:38 PM
24	I read some of the comments and it made me happy because the comments I saw were good	4/4/2013 1:37 PM
25	When I saw the "Science Teacher" comment it helped me see what I should put.	4/4/2013 1:25 PM
26	I did but I don't want people to leave mean comments	4/4/2013 1:11 PM
27	Before I put my answer I would read others and then I would think about how I should write mine.	4/3/2013 11:27 AM
28	Not yet at least	4/3/2013 10:07 AM
29	Not yet because I was working on my own	4/3/2013 10:06 AM
30	I learned how many trees there are to pick from and there are a lot. It's also good that people are taking care of them.	4/3/2013 12:04 AM
31	I felt sad for some of the trees	4/2/2013 11:47 PM

Q5 Did you observe your tree once per week as required or more than once? If more, how many times did you observe your tree?

Answered: 145 Skipped: 10

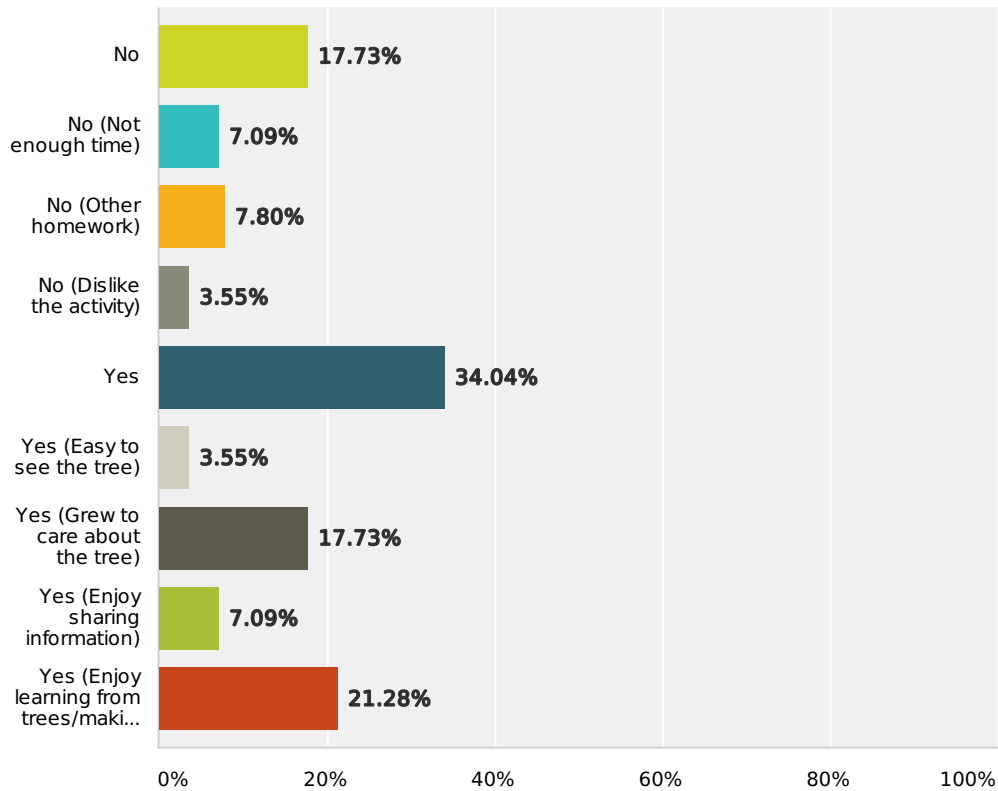

Answer Choices	Responses	
Once	60.69%	88
Twice	13.79%	20
Three times	6.90%	10
Four times	1.38%	2
Five times	4.14%	6
Everyday	11.03%	16
Multiple times each day	2.07%	3
Total		145

Other (please specify) (4)

#	Other (please specify)	Date
1	once but I plan on observing it more	4/4/2013 2:47 PM
2	I see it everyday after school because it's in front of my apartment	4/3/2013 11:15 AM
3	When I walk to school I pass by it	4/3/2013 10:34 AM
4	I see it at recess	4/2/2013 11:47 PM

Q6 Do you think you will continue to observe and think/talk about your tree after the unit is done? Explain.

Answered: 141 Skipped: 14

Answer Choices	Responses
No	17.73% 25
No (Not enough time)	7.09% 10
No (Other homework)	7.80% 11
No (Dislike the activity)	3.55% 5
Yes	34.04% 48
Yes (Easy to see the tree)	3.55% 5
Yes (Grew to care about the tree)	17.73% 25
Yes (Enjoy sharing information)	7.09% 10
Yes (Enjoy learning from trees/making observations)	21.28% 30

Total Respondents: 141

Other (please specify) (25)

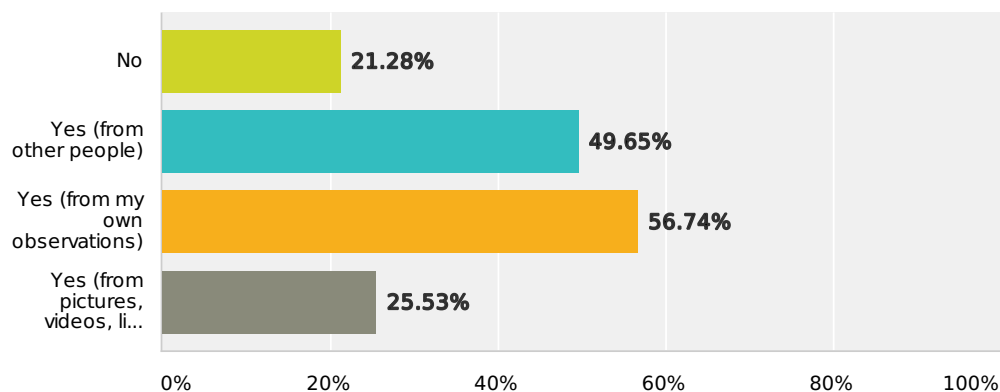

#	Other (please specify)	Date
1	I think me and my friends will talk about our trees	4/4/2013 3:24 PM
2	I want to continue to know more about my tree	4/4/2013 2:58 PM
3	I'm getting a connection to my tree	4/4/2013 2:33 PM
4	I want to tell people how important trees are	4/4/2013 2:24 PM
5	My tree means a lot to me	4/4/2013 2:18 PM

Tree Reflection 3rd Through 5th

#	Other (please specify)	Date
6	I'm interested about how it will change every year	4/4/2013 2:15 PM
7	This project has made me more interested in my tree	4/4/2013 2:09 PM
8	I might keep observing because it made me interested.	4/4/2013 2:08 PM
9	what if my tree gets cut down?	4/4/2013 2:04 PM
10	I will continue to observe until the cycle starts over	4/4/2013 1:59 PM
11	I will always keep an eye out to see if my tree is still growing and changing and if I can I think I will continue to comment on the website.	4/4/2013 1:54 PM
12	I won't observe it but I'll take care of it like water it.	4/4/2013 1:31 PM
13	After the unit is done, I think we'll talk about how we can help them (trees) not be endangered.	4/4/2013 1:20 PM
14	I would like to watch the cycle of my tree	4/4/2013 1:16 PM
15	I will still talk about it in the Spring and Summer because then there will be a lot of leaves	4/3/2013 11:47 AM
16	I'm not really a fan of trees	4/3/2013 11:30 AM
17	Yes I will continue because it teaches you	4/3/2013 11:24 AM
18	My tree changes a lot throughout the year	4/3/2013 11:20 AM
19	I will because in other seasons I will be able to tell which type of tree it is	4/3/2013 11:15 AM
20	Cool to see the buds grow	4/3/2013 11:09 AM
21	Even though this is a fun project, I'd like to spend my free time doing unnecessary post-school work	4/3/2013 10:40 AM
22	I would like to see how my tree changes	4/3/2013 10:37 AM
23	It didn't change enough to keep me interested	4/3/2013 10:26 AM
24	Yes because I like to see it change and keep on changing!	4/3/2013 10:01 AM
25	You can learn a lot about trees	4/2/2013 11:44 PM

Q7 Did the website help you learn about trees? If yes, how did it help?

Answered: 141 Skipped: 14

Answer Choices	Responses
No	21.28% 30
Yes (from other people)	49.65% 70
Yes (from my own observations)	56.74% 80
Yes (from pictures, videos, links or games)	25.53% 36
Total Respondents: 141	

Other (please specify) (20)

#	Other (please specify)	Date
1	Other people helped me think about other things	4/4/2013 3:17 PM
2	It helped me grow closer to trees	4/4/2013 2:33 PM
3	I am now paying more attention to what I am saying	4/4/2013 2:22 PM
4	It inspired me to learn more about trees	4/4/2013 2:08 PM
5	I learned a bunch more about different trees names and what they produce	4/4/2013 2:03 PM
6	I had to talk about it with my family so I thought about it at home too	4/4/2013 1:54 PM
7	The website did not help me but the project did because I got to learn that my tree is a hybiscus tree.	4/4/2013 1:40 PM
8	It helped me to think more about trees but didn't help me learn about them as much.	4/4/2013 1:20 PM
9	When I looked at other people's comments sometimes I didn't know about what other people wrote. Like if someone wrote something about layers and I didn't know about that til after.	4/4/2013 1:16 PM
10	I already know a lot about trees	4/4/2013 1:11 PM
11	I learned there are way more kinds of trees then I could think of.	4/3/2013 11:47 AM
12	It made me look and notice things more	4/3/2013 11:27 AM
13	It helped me learn how things change	4/3/2013 11:24 AM
14	By looking at other comments I learned more about trees. I usually don't study trees but now I do.	4/3/2013 11:15 AM
15	Yes, it helped me see other people's opinions on trees and gave me new ideas	4/3/2013 10:40 AM
16	I already knew a lot about trees	4/3/2013 10:34 AM
17	observing helps my thinking	4/3/2013 10:07 AM
18	So many trees change over time and don't stay the same.	4/3/2013 12:04 AM

Tree Reflection 3rd Through 5th

#	Other (please specify)	Date
19	It helped us observe things we normally wouldn't	4/2/2013 11:50 PM
20	It made me focus on them (trees) more	4/2/2013 11:49 PM
